

Leslee's Creative Inspiration

Monthly Club

To join in the Monthly Club, you must register by placing a minimum \$25 order (before shipping and tax) online at www.les4inspiration.stampinup.net using the Monthly Club Host Code which will be provided for you on or about the 15th of the previous month. Or, you may register with a flat fee of \$35 USD on my Square Checkout using the link provided. This link will remain the same each month.

Registration for each month is required no later than 11:59 PM EST on the 5th of that club month. You may skip any month.

Please indicate whether you plan to attend the On-line Zoom (held on the 4th Friday of the month) or In-person in my craft room (held on the 4th Monday of the month). If placing an order, just drop me an email to let me know. Those indicating you will only attend the On-line Zoom will have your project kit and color instructional PDF mailed to you on or about the 6th of the club month. Those attending In-person will receive your kit the night of club. If I am unsure of your choice, I will mail your project kit to you. Please make sure I have your current mailing address. You can do both In-person and On-line Zoom. However, neither is mandatory.

Project kits will contain all card bases, card stock pieces, DSP pieces, die cuts, and ribbon to make 3-4 projects each month. No stamped images will be included. No small embellishments such as gems will be included. No adhesives or dimensionals will be included.

On club night, I will demonstrate any techniques and answer any questions you may have. We will complete the projects together. In-person, you will be able to use my inks, stamps, and tools. On-line members will have to use their own supplies. If you want to complete your projects as designed, you will need the featured stamp set/bundle, technique supplies (ie. embossing powder, Versamark, color mediums, etc.), inks, and adhesives. I will let you know additional supplies you may need when the Monthly Club is announced. That way, you may order those needed items in advance of our meeting date.

Monthly Club Reward System

Now, what's in it for you?

Besides making crafty projects each month, you'll be learning new crafting techniques and seeing new stamps, supplies, and tools in action. Placing monthly orders can build your supplies or re-stock your obsession.

To reward club participants, I will use a punch card system. With every \$25 online order (before shipping and tax) and using the Monthly Club Host Code through my Stampin' Up! website, you will receive one punch to your Reward Card. Once you have received 10 punches, you will get a \$25 gift certificate to use on your next order. That order must be placed through me. You can call or email me with your merchandise order. I will keep track of your order amount and punches. Order totals do not accumulate. For example, you place an order for \$45 in one month, you only receive 1 punch. The next month, you order \$30, you will only receive 1 punch. Keep in mind, merchandise totals are before shipping and tax are added and only participants using the Monthly Club Host Code will be rewarded.

This is my way to reward you since there will be no "hostess" each month as this club is optional. Should you have any questions, feel free to contact me directly at 757-593-1498.
