Sun Prints Thank You

Instructions

1. Adhere large piece of Basic White cardstock to inside of card.
2. Adhere Sun Prints DSP to card front.
3. Emboss Gray Granite cardstock with Fern 3D embossing folder.
4. Adhere Gray Granite to left side of card front, over DSP and approximately ½" from fold.
5. Stamp fern leaf image on scrap of Basic White using Gray Granite ink; die cut with matching die.
6. Stamp large leaf image and tall, skinny leaf image on scrap of Basic White using Starry Sky ink; die cut with matching dies.
7. Arrange leaf images as desired on card front and adhere stamp sentiment on scrap of Basic White; die cut with label die.
8. Adhere to card front using Stampin' Dimensionals.
9. Tie Starry Sky metallic woven ribbon in a bow; secure to label with glue dot.
10. Add Rhinestone basic jewels as desired pieces.
