- 1) Score card base at 5". Fold in half at the score.
- 2) For best results, lightly mist the Cinnamon Cider decorative strip with water. Use the Old World Paper embossing folder to run it through your die cutting machine.
- 3) Adhere the World Map designer series paper (DSP) to the card base
- 4) Adhere the embossed decorative strip to the DSP at 3/4" from the left edge, aligned along the top edge of the DSP.
- 5) Stamp your greeting on the Memories & More card using the greeting from The Best Year stamp set.
- 6) Adhere the Memories & More card to the DSP and decorative strip. Use dimensionals on the right half of the card, tape along the left edge where it will sit atop the decorative strip.
- 6) Adhere the decorative chevron sticker from the Memories & More card pack to the center of the decorative strip, along the top edge.
- 7) Adhere the three decorative compass stickers to the right, top corner of the World Map paper.
- 8) Adhere the Whisper White card to the interior of the card base.
