- 1) Score card base at 2 1/8" and 4 1/4". Fold in half at the score, then fold the left-most 2 1/8" panel back outward.
- 2) Score Z-fold band at 4 1/4" and 6 3/8" (or at the same as above then flip around so the 4 1/4" side is to the left).
Fold in half at the score, then fold the right-most 2 1/8" panel back towards the center.
- 3) Adhere the strips of Celestial paper to the two left panels of the card base
- 4) Adhere the Compass paper to the right panel of the card base
- 5) Adhere the Memories & More card to the left panel of the Z-fold band
- 6) Stamp your greeting on one of the pieces of white cardstock
- 7) Adhere the two pieces of white cardstock to the two panels on the right side of the Z-fold band
- 8) Find the middle of the left edge of the Z-fold band and the middle of the left panel of the card base.
- 9) Align the Z-fold band to the left panel of the card base. Make sure to use adhesive only on the left-most 2" of the Z-fold band
- 10) Apply adhesive to the right-most panel of the Z-fold band. Fold the Z-fold band and fold the card base so when the card base closes, the right-most edge of the right Z-fold panel is aligned with the right edge of the cardbase.
