- 1) Score card base at 4 1/4" to make a top-folding landscape card base
- 2) Run the 3"x5 1/2" Cherry Cobbler cardstock through the Nutmeg  embossing folder from the Wrapped in Texture Embossing Folders set
- 3) Adhere the embossed panel to the card base aligned with the top edge.
- 4) Adhere the red pinstriped designer series paper to the bottom of the card base below the embossed panel.
- 5) Adhere the plaid designer series paper to the Basic Black cardstock layer. Adhere to the embossed panel with glue 3/8" from left, right and top edges.
- 6) Stamp the outer sentiment using the Warm Wishes stamp in the Poinsettia Petals stamp set onto the Whisper White strip using Shaded Spruce ink.
- 7) Cut the sentiment strip using the double-flagged-end die from the Tasteful Labels (152886) die set
- 8) Adhere the sentiment strip to the Basic Black cardstock layer, trimming it with scissors to leave 1/16" of a border all around.
- 9) Cut the 4 layers of flower petals out of the Red Velvet specialty paper using the Poinsettia Dies (153522).
- 10) Adhere each layer of petals together, largest on the bottom, using a glue dot at the center between layers. Offset the leaves on each layer
- 11) Adhere 3 of the small clear gems from the Wonderful Gems embellishment pack (153536) to the center of the flower.
- 12) Position the poinsettia to the left of the paper so that the flower resides within the plaid paper, attach with a dimensional
- 13) Position the sentiment strip to the right of the poinsettia about 3/4" from the bottom of the green plaid paper. Attach with a dimensional
- 14) Wrap a length of Real Red Sheer Ribbon around the card at the seam between top & bottom panels. Tie with a bow just under the sentiment strip
- 15) Adhere three large red Wonderful Gems in a vertical line, starting 1/4" from top of plaid paper, and 1/4" from right of plaid paper, spaced equally apart.
- 16) Stamp the Magic & Wonder sentiment from the Poinsettia Petals stamp set (153475) on inside of card with Shaded Spruce ink.
- 17) Sit back and admire your handiwork!
