Gray Granite & Crushed Curry Ink

**Method**

1.  Fold the card base inside out and in a concertina pattern
2.  Fold both white small hinge pieces in half for the hinges of the fun pop-up fold
3.  Adhere each of them either side of the centre fold of the base card with the fold of the hinge facing into the centre of the card
4.  Adhere the coloured cardstock onto the centre of the card using adhesive ONLY on the little hinges
5.  Stamp some stars using Crushed Curry ink  and a greeting using Gray Granite ink onto one of the pieces of white and adhere to the inside of your card
6.  Stamp trees using Gray Granite ink and stars with the Crushed Curry ink onto the other piece of white for the front of the card
7.  Layer onto the other piece of coloured cardstock
8.  Adhere the 2 pieces of designer paper to the front of your card
9.  Attach the front panel to the left side of your gatefold- ensure you ONLY put adhesive on half of your panel so you don't stick your card together!
10. Stamp a greeting onto the very skinny piece of cardstock
11. Layer onto the coloured cardstock
12. Adhere the gold trim behind the greeting and Attach to the front of your card and add some Gold dots.
