Method

1. Emboss one of the Poppy Parade pieces using the Dotted Circles folder and make a banner
2. Adhere the DSP square to the front of the card
3. Layer on the embossed panel
4. Stamp a greeting using Poppy Parade ink and punch using the Modern Oval punch from the vanilla scrap
5. Layer onto the front of the card
6. Fussy cut candles from the DSP and layer together near the greeting
7. Stamp another greeting for inside the card
8. Banner the other Poppy Parade piece, cut in half and add behind the greeting inside the card and add a fussy cut candle
