Shimmery Embossing Paste

Method

1. Using the Smoky Slate ink and Falling Snow stamp the whole front panel piece
2. Stamp the largest Tree using Old Olive ink onto the right side of the panel
3. Swish Shimmery White embossing paste all over the stamped panel and set aside to dry – it will smear the ink on the tree a bit, but I love that effect
4. Die cut the word from Glimmer Paper and the Peaceful Season Dies
5. Die cut the banner from white card scrap and the star from the Silver Foil scrap using the Peaceful Season and Peaceful Evergreens dies
6. Stamp the word onto the white banner using Old Olive ink
7. Adhere the Silver Foil and Glimmer Paper strips at the base of the tree
8. Add the stamped banner and die cut greeting
9. Add the Silver Foil star and some basic rhinestones for more shine!
