Instructions

1. Cut all the cardstock layers and pieces needed as stated in the measurement guide. Cut and score the card base as stated, scoring and folding in half.
2. Layer the Mossy Meadow onto the card front on an angle. Layer the DSP over the Mossy Meadow on a different angle so some of the Mossy Meadow can be seen.
3. Die cut the seed packet using the die from the Grow With Love set. If your paper is directional the smallest tab on the die is the bottom. Fold the scored sides inwards so they overlap in the centre, adhere together. Then fold the bottom tab up and adhere. You can now add the envelope to the card front on a different angle for interest.
4. Stamp the frame stamp onto the Stamping Tag piece using Basic Beige Ink. Use the corresponding die to cut the shape. Attach the small piece of Basic Beige Bordered Ribbon folded in half to the top of the tag with a staple. Angle the ends of the ribbon.
5. Stamp the Thyme stamp twice using Old Olive Ink, stamp the Rosemary stamp once using Moddy Meadow Ink. Die cut the herbs with the corresponding dies.
6. Use the Heartfelt Hexagon Punch to punch the shape from Mossy Meadow cardstock. Add the shape to the envelope using dimensionals.
7. Add the die cut herbs to the punched shape with liquid glue so the stems are gathered at the bottom like a bouquet. Tie a small bow with the linen thread and attach over top of the stems with a glue dot.
8. Stamp the sentiment on the thin white strip using Memento Black ink and attach with a glue dot on each end and a small dot of liquid glue on the stems.
9. Add 3 Brushed Brass Butterflies.
10. Stamp the Thyme on the inner using Old Olive ink. Adhere inside the card.
