## Measurements

Paper	Number of Pieces	Metric Measurement	Imperial Measurement
Serene Love DSP - Layer	1	11cm x 14.5cm	4 3/8" x 5 3/4"
Heirloom Arrangements Card Bases to make pages	2	10.4cm x 14.5cm	4 1/8" x 5 3/4"
Iridescent Striped Ribbon	1	50cm	19 1/2"

## Instructions

1. Cut the designer series paper above and cut 2 card bases from the kit to 10.4cm wide (4 1/8") the length doesn't need cutting.
2. Slide the flap of one envelope into the opening of another envelope and glue together.
3. Place the ribbon so it runs through the centre left to right. Adhere to the front envelope using Tear and Tape.
4. Adhere the Serene Love DSP to the front envelope.
5. Stamp the grid and butterfly stamps using crumb cake ink randomly to the back of one of the cut card bases. Adhere on top of the DSP.
6. Then use elements from the Heirloom Arrangements pre-printed and die cut pieces to decorate the front. I stamped the word Memories from the Love This Moment stamp

set in VersaMark and embossed it in white. I added this with dimensionals. And lastly a tiny bee trinket.

7. The next pages I kept as pockets by adhering the card base only to the top of the envelope, retaining the opening. Page 1 is a pink card base with the grid pattern so I stamped 2 butterflies in Pretty In Pink.
8. Then I've added a black and white frame from the kit and printed my photo to fill the frame. To finish this page I added a butterfly. I may go back and add some journalling.
9. The next page I layered the pre-printed and die cut pieces with some flat and some on dimensionals.
