Instructions

1. Cut all the cardstock layers and pieces needed as stated in the measurement guide. Cut and score the card base as stated, scoring and folding in half.
2. It's a good idea to watch the video to decide which method to use for inking your stamp. I did the option where I applied the Boho Blue ink with the ink pad and the used a blending brush before stamping onto my Basic White layer.
3. Stamp the outline of the paint brushes in Pebbled Path ink. Use the solid handle stamp with Wild Wheat, Pebbled Path and Shy Shamrock inks that have been stamped off first. Then stamp the solid paint stamp onto the tips of the paint brushes in the corresponding ink colour at full strength. Die cut the paint brushes with the Trust Tools Dies.
4. Emboss the Wild Wheat cardstock using the Mini Corrugated Embossing Folder. Die cut the Nested Essentials largest flag from Basic White cardstock. Stamp the greeting using Pebbled Path ink. Add the Wild Wheat corrugated strip behind the flag piece.
5. Add the Linen Thread to the 2 paint brushes of your choice. Thread one end through the hole, bring the 2 ends together and form a knot. Decide the length of the loop you want before tightening the knot and trimming the ends.
6. I adhered the top paint brush first, then the flagged sentiment with the corrugated piece attached. Then I placed the other 2 paint brushes using liquid glue and small dimensionals.
7. Place the 2023-2025 In Colour Dots as shown.
