Instructions

1. Cut all the cardstock layers and pieces needed as stated in the measurement guide. Cut and score the card base as stated, scoring and folding in half.
2. Stamp the sentiment onto the DSP for the card front using Secret Sea ink. Adhere to the card so it's in line with the bottom edge of the card and goes right across.

3. Die cut the Gallery Blooms rectangle frame from Basic White cardstock. Cut along the lines of the 2 mitred corners on one short end of the frame. Measure down 9.3cm (a smidge over 3 5/8") from the remaining short edge and mark with a pencil on both long sides of the rectangle. Dot liquid glue under the pointed parts of the cut away piece and place just above the pencil marks. Ensure the piece is

- straight and sitting neatly at the inside corner. Set aside to dry. Once dry trim away the remaining long sides and you have a square frame.
4. Adhere the focal DSP behind the frame, then adhere the frame to the Secret Sea layer. Attach to the front of the card over the DSP.
5. Die cut the floral image from Secret Sea Two-Tone cardstock and the smaller leaf from Cloud Cover cardstock. Adhere to the side of the frame on the right-hand side.
6. Cut a length of Faux Linen Ribbon in Cloud Cover approx. 30cm (12") and tie a bow. Attach with a glue dot over the stems of the flower and leaves on an angle so it does not cover the sentiment.
7. Place 3 Basic Gray & Smoky Slate Pearls
8. On the inner stamp the floral motif stamp from Beautiful Motifs in the centre of the inner using Cloud Cover ink that has been stamped off. Over this stamp another sentiment "Thanking of You" using Secret Sea ink. Adhere to the centre of the card.
