Instructions:

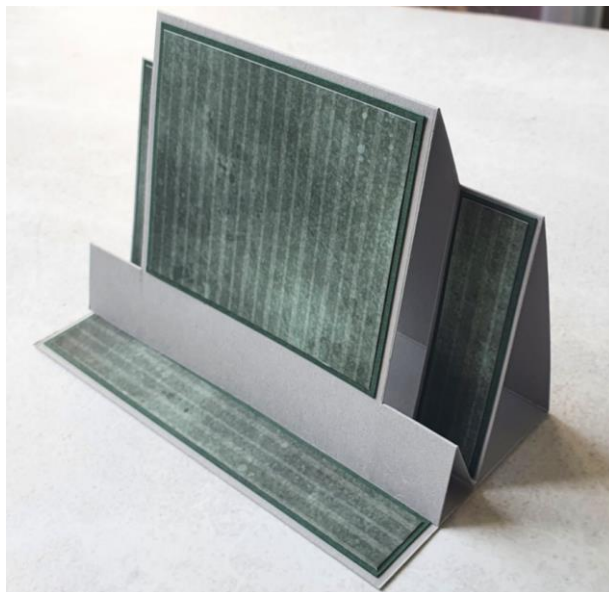

1. Cut and score the Smokey Slate card base as per the diagram below

2. Gently fold the score lines so that all are mountain folds except the 5cm (2") one which is a valley fold. It should look like this

3. Adhere the DSP to the Evening Evergreen layers. Then attach to the card base on the sides, center and across the inside front of the card

4. Use a Stamparatus to position and stamp the leaves - Largest Holly Leaf Solid Stamp in Smokey Slate x 3 then stamp the largest detailed stamp over the top in Evening Evergreen. Medium Holly Leaf Solid Stamp in Smokey Slate x 2 then stamp the medium detailed stamp over the top in Evening Evergreen.

Stamp the solid Holly Berries in Real Red x 3 and stamp the detailed berries stamp over the top in Cherry Cobbler.

5. Stamp the sentiment in Evening Evergreen, make sure your Basic White piece of cardstock is large enough to cut the whole shape including the leaves.
6. Use the Stampin' Cut & Emboss Machine and the Holly Berry Dies to crop the leaves, sentiment, berries, and Evening Evergreen Cardstock (for behind the die-cut sentiment leaves).
7. Layer and adhere all as shown with Stampin' Dimensionals and Multipurpose Liquid Glue. Making sure to have the points of the bottom leaves and the edge of the berries overhanging the bottom edge so it gets caught on the Evening Evergreen and DSP layer and makes the card front stand up.
8. Embellish with Adhesive-Backed Festive Pearls
9. Stamp the inner with another sentiment in Evening Evergreen and set of berries as above. Adhere the Basic White inner to the inside of the card.
