## Instructions

1. Prepare the cardbase, score and cut all the layers.
2. Adhere the designer series papers to the corresponding layers. Adhere one of the smaller panels to the folded over flap on the top side, to the right hand side of the inside panel and finally add the larger panel to the left hand side of the front of the card. Spritz the panels with some ink from a Fresh Freesia Stampin' Write Marker.
3. Take the Basic White layer and using some Fresh Freesia ink add some blending around the outside using a Blending Brush. Stamp a hot air balloon in Sweet Sorbet and Azure Afternoon Ink. Stamp the basket in Pool Party. Stamp the sentiment in Memento Black. Spritz some Fresh Freesia ink from a Stampin' Write Marker over this piece. Adhere this piece to the last layer of Fresh Freesia and adhere to the inside of the card.
4. Die cut one circle from the Deckled Circles dies from Basic White Thick and a smaller one from the Vellum Basics Paper. Add some Fresh Freesia Ink with a Blending Brush around the outside of the Basic white circle. Adhere these circles together in the centre, then adhere this circle to the middle of the fun fold panel (only adding adhesive to the panel)
5. Stamp a large hot air balloon using Sweet Sorbet, Azure Afternoon and Tahitian Tide. Stamp a small basket in Sweet Sorbet. Die cut these pieces out. Die cut out the small love heart shaped solid balloon in Bubble Bath and then die cut out the detailed piece in Berry Burst Soft Shimmer. Adhere these two pieces together with Liquid Glue. Die cut out the large solid basket in Gold Glimmer, three clouds from Basic White Thick cardstock and the large label from Basic White Thick Cardstock.
6. Adhere the two baskets for the hot air balloons to the bottoms of the hot air balloons with Mini Glue Dots. Overlap the balloons slightly and then flipping them over, add Stampin' Dimensionals and then adhere them to the Deckled Circles.
7. Tie a double from the Lemon Lolly Baker's Twine and adhere where shown on the card being sure to leave long tails and adhere with a Glue Dot.

8. Stamp the sentiment on the die cut banner with Memento Black Ink. Adhere over the top of the balloons and bakers twine with some Stampin' Dimensionals.
9. Using a Sponge Dauber, lightly add some Pool Party Ink to the edges of the clouds. Add two clouds in the top left hand corner of the card. Add the last cloud above the bow.
10. Embellish the card with some of the Rainbow Adhesive Dots.
11. Spritz the card with some Wink of Stella.
12. Enjoy!
