3. Cut a diagonal line from the top corner down to the 2cm marks as shown in the diagram.
4. Measure 2cm from each end along the fold and cut a 5.5cm (or slightly larger) slot along the crease.
5. Sponge/brush ink around the edges of all three pieces of Cinnamon Cider.
6. Attach Lace Trim to the bottom edge of both small Cinnamon Cider strips.
7. Assemble the flowerpot, using the two strip on the front and back next to the fold.
8. Stamp, colour and cut out your image.
9. Stamp a greeting onto the Very Vanilla cardstock and insert it into the slot so none of it shows at the bottom of the flowerpot.
10. Lay this on top of the envelope to use as a guide then arrange your flowers, ensuring they will fit inside. You may wish to pop some up so it slides in and out easily.
11. Finish by stamping the label, tying linen thread around and attaching to the card front.
