Instructions:

1. Cut a piece of Basic Black cardstock to 4 ¼ x 8 ½. Score at 2 1/8" from each end on long side and fold outer panels toward center for card base.

2. Cut two strips of DSP 1 7/8" x 4" and adhere to front panels. I matched up the pattern in the center, but there is a gap.

3. Cut a 4" square of Basic White cardstock. Decorate as desired and adhere to inside of card base.

4. Cut a Real Red circle using the 9th largest die from the Deckled Circles Dies.

5. Cut a Basic White Circle using the 2nd largest circle die from the Stylish Shapes dies. Stamp sentiment with Memento Tuxedo Black ink and adhere white circle to red deckled circle.

6. Punch three 2" Real Red circles. Fold two of them in half and adhere them to the third circle with the folds side by side (see photo). Place multipurpose glue on the tops of the folded circles and adhere the deckled circle to them, being sure to keep the folds centered vertically.

7. Slide the front panels of the card between each of the folded circles to create the slide and lock.

8. Stamp cow's head and body with Memento Tuxedo Black on Basic White scraps, color with Blends and punch with coordinating Cow Builder Punch. Punch "collar" from Real Red Scrap and adhere under chin. Attach body and head to white circle with Dimensionals. Stamp and color cow bell with Blends, fussy cut and adhere with glue.

9. Embellish with Classic Matte Dots.
